

Aerospace valves

A new market sub-sector report from;

Counterpoint Market Intelligence Limited

In our 56-page report, we start with describing the main aircraft system applications e.g.

- **ECS**
- **Secondary Power or Bleed Air System**
- **Hydraulics**
- **Engine Controls**
- **Fuel systems**

We then describe the principal types of valve and their characteristics;

- **Pneumatic**
- **Solenoid**
- **Hydraulic**
- **Fuel**

We also give pricing estimates for valves by type and aircraft application and these form a key input into our detailed market model and from this we show market analysis;

- **estimated 2010 market size**
- **estimated growth profile**
- **segmentation by valve type and OE/aftermarket**

We describe the valve market structure and discuss key trends.

The report provides profiles of 54 companies. Our profiles cover;

- **Origins and ownership**
- **Our estimate of sales**
- **Operations and technologies**
- **Customers and contracts, where available**
- **CPMIL comment on market position**

We would be pleased to provide an hour's free consultancy to purchasers of this report.

Why Counterpoint Market Intelligence?

Counterpoint Market Intelligence Limited was formed by George Burton and Richard Apps in 2004 to offer original, independent and rigorous research into aerospace markets. Between them, George and Richard have 40 years of experience in senior positions in aerostructures, engine components, and aerospace equipment. Counterpoint now has an international business, with 70% of sales outside the UK. Sales of research reports have led to consultancy projects. Two thirds of sales are to the aerospace industry – aircraft and engine prime contractors and first and second tier suppliers. Other clients are private equity funds, investment banks and government organisations.

In addition to this report the following reports are available from Counterpoint Market Intelligence Limited:

- Aerostructures 2011
- Aeroengine and IGT components 2011
- Tooling for aerostructures 2011
- Aerospace actuation 2010
- Who pays, who wins – *The role of the state in the funding of aerospace*

Counterpoint Market Intelligence Limited also undertakes bespoke consultancy studies for its clients in areas including the following:

- Market and strategy-related due diligence for M&A
- Acquisitions search
- Evaluation of strategic options
